Vendor Quotes."This is a wonderful family home"

Flawlessly presented throughout on approx 1.36Ha with sweeping Gold Coast vistas, this large family home invites you to experience a sophisticated lifestyle through an ideal combination of generous proportions and luxurious interiors of comfort and style.

Featuring, elegant formal lounge complimented by a large master-crafted study that creates an enviable expanse of space and offers a wonderful connection to a stunning light-filled open-plan kitchen, dining/family lounge area that unfolds to the outdoor entertaining and in-ground pool.

The magnificent master suite with an amazing walk-through-robe and spacious en-suite with spa creates a serene parent retreat providing natural light and peaceful vistas over the Gold Coast City Skyline.
The flexible accommodation boasts two more generous bedrooms and a further spacious guest bedroom with en-suite and walk in robe plus full height sliding glass doors that conveniently lead to the outdoor entertaining area
The kitchen is a true chef's delight and incorporates an abundance of cupboards and this, together with the practical advantages of another two storage rooms, (may be used as a wine cellar or computer room) and triple car garage with secure parking and internal access, makes this a truly desirable family home
