RIVER SIDE LIVING

This established riverside Property has been built to maximize the beautiful River Murray views. Facing East, and staring at a stretch of River Murray cliffs, the sunsets are reflected through and across the large glass entertaining area of this shack providing a kaleidoscope of ever changing color. Lawned front area and elevated balcony are again all designed to entertain and relax. Kitchen dining and lounge are open plan with reverse cycle air conditioning and a slow combustion heater looking after the climate inside. Three bedrooms cater for 8 people and there are two bathrooms, one up stairs and one down. There's plenty of lawn for caravans and campers alike. Call for your private inspection.
