QUIET - EXCELLENT LOCATION - PET FRIENDLY

This is a beautifully presented townhouse living in a well managed complex. So quiet and pet friendly it is well located within a few steps to 2 primary schools, (one is a Catholic School). Bus to the city & major shops is just across the road. You will also enjoy a sparkling pool to cool off in the summer months & your own private north facing courtyard will ensure you have plenty of sunlight in the winter months making this a welcome area. A major advantage with the design in this unit is the extra large laundry which also houses a second toilet downstairs for extra convenience and the two bedrooms upstairs can be described as king size (very large) with second (or main) having a balcony out the front. This is a real bonus if you enjoy winding down before jumping into bed. A new hot water system was installed recently plus the unit has been refurbished with fresh paint and carpet.

- * The kitchen is ample for everyday needs
- * A Single garage with your own driveway allowing parking for a second car
- * A comfy open style lounge & dining with double glass doors from the lounge leading out to a private courtyard
