BUILD YOUR DREAM HOME - OR JUST BUY THE BLOCK - CLICK2BUY

Click2buy. This superbly located block of 432m² is the best value currently being offered in this new subdivision, with an added bonus of having plans approved for a super quality residence which you can build (see picture), and which could start instantly, saving you months of approval time, money and red tape.

The builder can change the internals to your desired feel, or simple purchase the block by itself and go with your own design after that, or just hold onto the block.....it's absolutely your call.

For more information or to discuss any aspects of this superb lot, please contact Mark Burgess on 0419428095.
