This property has so many bonuses that it makes it a standout from the rest:

- Stunning established gardens/lawns that are fully reticulated plus small rain water tank.

This cosy brick and tile home has recently been given a new lease on life with internal painting plus new carpets and flooring. The property also includes a large A/C Split System in living area, ceiling fans, security screens on all doors, built in robes to bedrooms and dishwasher.

Located on a quiet cul-de-sac street this property gives you the opportunity to sit back and enjoy your favourite pastimes in a beautiful part of the world. Crabbing, boating and fishing are all fabulous ways to spend your days plus walks along the estuary or just being outside enjoying the fresh air and scenery. Just down the road is the Bouvard boat ramp and walking distance is the Bouvard Tavern. Less than 10 minutes away by car are two primary schools, Dawesville IGA, "The Cut" Golf Course, Dawesville Channel, beautiful beaches for four wheel driving or surfing and the larger Miami shopping precinct. Why travel all the way down south when this is only an hour and a bit out of Perth.
