The kitchen is well appointed and is the centre piece of the home and includes stainless steel appliances with gas cooktop, island bench with breakfast bar and walk-in pantry. This all ties in perfectly with the fire heater, timber staircase and outside courtyard.

The spacious master bedroom comprises of a generous walk-in-robe, sliding door to courtyard and an expansive en-suite with floor to ceiling tiling, superb spa bath, large shower, and plenty of cupboard space. The two downstairs minor bedrooms are double in size with built in robes.

Upstairs is set up as a separate living / TV area plus a huge bedroom, perfect for teenage kids who need their own space or simply for your guests.

Entertaining will be a delight with multiple options available. You could sit on the outdoor veranda, kick back in the courtyard opposite the kitchen or do it in style and retreat to the fully-enclosed patio, complete with it's own firewood heater and outdoor TV.
