The social hub of the home has lots to offer. A generous galley kitchen which will have the chef in the family cooking up a storm in air- conditioned comfort. There is plenty of room to come together around the island bench and chat while dinner is cooking. The open plan living space then flows seamlessly through the large stacker doors out to the rear deck allowing you to take advantage of those gorgeous breezes whilst enjoying the view, making it the perfect spot to entertain friends and family. You are spoilt for choice with two private outdoor decks, no matter what time of the day it is you can relax in the peace and serenity of nature.

Designed with family in mind there are 5 bedrooms and a study in this exquisite home. This home boasts loads of storage space too. Double lock up garage with built in storage and a workbench.
