This great renovator - in prime position, with views of the ocean, and opposite one of the Gold Coast's largest and most prestigious developments - has SOLD - with Multi Offers presented to the vendor. Two offers came from interstate investors.

As you are a owner in the building - and I have buyers that are cashed up and ready to move should another unit become available - I am wondering if you would be interested in selling your property in Norbiton, It would be an immediate sale for you.

If you would like to discuss this further with me, please contact me anytime.
