IMMACULATE AIR-CONDITIONED HOME WITH RESORT STYLE LIVING AND ACREAGE FEEL.

You will not beat this amazing three bedroom home with two bathrooms and double garage backing onto a beautiful green backdrop. Very few homes have this amazing backyard and they rarely come onto the market.

All the work has been done from the modern appliances to the flooring, so you will be able to just unpack your bags and enjoy everything this home has to offer.

The beautiful centrally located gourmet kitchen has lots of cupboards and bench space so you can cook up a storm for your friends and family.

This home has been designed to have an open plan kitchen, dining area and lounge so you never have to feel left out of conversations again.

Alfresco dining has never been easier, than in this cool undercover entertainment area which has amazing views over the beautiful green oasis at the back of your fully fenced back yard.

Once you live in River Springs Country Club you will never have to spend thousands of dollars on holidays ever again because you have everything you need right here at your finger tips.

The pool is the biggest I have seen on the Gold Coast and there is also a tennis court, gym, steam room, sauna and BBQ areas for you to enjoy.

Close to schools, shops and restaurants.
