OLD PEACHESTER POST OFFICE

The original Peachester Post Office sits on an acre of commercially zoned land. Positioned well on the tourist drive this property has the charms of days gone by. Large 1 acre block could enable some modern day opportunities. The existing building presents well from the road, perhaps as a shop, residence or office front for your business with most of the 1 acre of land offering an increasingly rare blank canvas. Water security is ensured with both tanks and a bore. The bore has been sunk tested, successfully, but never utilised. Both accommodation and commercial premises are possible. The property could easily be bought back to good condition to live and work in. definitely needs a makeover of the kitchen and bathroom to make comfortable and habitable and for the future you have 4,047m2 of commercial land with local centre classification.
