BEST VALUE HOME IN WYNNUM WEST

This lowset brick and tile home is located in the popular Network Drive, in Wynnum West. The home has been fully and professionally renovated by one of the Bayside's most respected builders. All of the work has been done by qualified trades people and completed to the highest quality.

The home offers it's new owners:

- Four bedrooms
- Master with ensuite and double robe
- Two living areas
- New kitchen with stone benchtops and stainless steel appliances
- New bathroom and ensuite
- New robes
- Covered entertaining to the rear
- New security screens throughout
- New internal and external doors
- Two large pantries
- New LED lights, smoke alarms and fans
- New electrical switchboard
- New panel lift door with remote control to the garage
- New 100mm Solar Span roof over front for car / caravan / boat accommodation
- New Rheem 250lt hot water system
- Engineer designed and professionally built retaining wall to the front
- Fully reticulated termite barrier system with eight year warranty
- New drive way and pathway around the house
- New security screens
- New carpet and curtains
- New shed to the rear of the home

And so much more.....
