SELLER SAYS IT TIME TO MOVE!!! BEST VALUE IN BANORA!!!

First Home Owner and Astute Investors

Enter into this gorgeous, solid brick home through the foyer and into a spacious open plan. The large kitchen/dining/living areas flow gracefully in to one another and a lovely covered patio adjoins the space offering generous natural light. At the other end of the kitchen, a beautiful formal dining room allows access to an elegant yet comfortable formal lounge – wonderful for entertaining. Upstairs, the light filled master bedroom with ensuite and walk through robe is extremely spacious. Three additional, large double bedrooms and an additional bath offer even more room. A rumpus area allows kids to have their own space, or would be perfect for a fifth bedroom as needed. All the sleeping areas are upstairs allowing for a peaceful retreat, preserving the downstairs for the living areas. Entertaining is a dream with the covered patios and outdoor areas - ideal for outdoor dining. Also find a convenient garden shed on concrete slabs to the side of the house. A fantastic salt water pool is located on the other side of the property where the family will enjoy many hours of fun on those hot summers days.
