**IDEALLY LOCATED RENOVATORS DELIGHT...
\$99,000NEG**

Situated on the quiet end of town, just 1 block from all the local shops and 2 blocks from the golf course & bowls club is this iconic Queenslander style home which boasts 3 Generous bedrooms, 2 bathrooms, a large outdoor veranda & 2 street access!

The home is as original as they come, it has great bones but is in need of some TLC to fix a few cosmetic issues. The best thing about these older homes is it doesn't take much to bring out the character and charm.

The owner has taken up residence elsewhere, so she is keen to sell this property as it is surplus to needs. Your inspection is invited, so give troy a call on 0422225135 today.
