This well-appointed acreage property provides a relaxing family lifestyle. Perched privately on a 2 acre block, this family-friendly property is positioned in the highly-sought after, value for money Glenwood. This property will impress from the first moment of viewing. Sitting atop the sprawling allotment, the facade of the 4 bedroom home beckons with the promise of upgraded character within. The generously proportioned floor plan unfolds in an expression of family comfort across a single level of living with the privacy of this acreage living presented right in front of you.
