What an opportunity. Nestled in a sought after area down south sits this amazing opportunity. TWO Properties with unlimited options for a home based business, teenage retreat, extended family or a possible income. You could even live in the Self contained unit while renovating the main house.

A much loved house in original conditioned awaits. Enter the home though a separate entrance. There is a spacious lounge room with a large picture window adjacent to the dining room with direct access to the rear yard. There are 3 larger than normal bedrooms with the bathroom perfectly positioned for convenience. The centrally located kitchen is the hub of the home, neat and sweet, with a possible reno on the cards and overlooking the garden.

Step outside and you will be impressed with the 2 bedroom Self contained unit on offer. In good condition with 2 bedrooms, open plan kitchen dine and lounge. A bathroom and laundry completes the picture. The unit has hardly been used. Most windows in both properties have roller shutters. Heating and cooling, new roof, a single double length carport, fruit trees and 2 rain water tanks are just some of the many extras on offer.

Come and view this much loved home close to all the conveniences you will need.
