IMPRESSIVE QUALITY HOME - DESIGNED FOR COMFORT!

This architecturally designed home was built to the highest standard with versatile living and quality features throughout.

Awash in wonderful northern sunlight this original and immaculate 3 bedroom, 2 bathroom split-level home offers the family luxurious living. The home is positioned on a generous 824sqm elevated block.

The design of the home has taken full advantage of the wide frontage and topography of the block, allowing an abundance of natural light to flood into the living areas, huge alfresco and multiple garden areas. This allows you to have the best of all year round living.

Walking into the home you are greeted by an expansive entry and family room. The hub of the home really is the open plan kitchen, family and dining rooms which lead onto the huge enclosed alfresco that would also be ideal as a games room. Sit and relax in the winter sun or enjoy the view of the garden and ocean in the distance.

The kitchen is well appointed with Blue Pearl granite benchtop & splashback, breakfast bar, quality appliances and dishwasher, large pantry and plenty of cupboard space.

The huge master suite is a feature with Vintage Axminster carpet, walk-in robe and large ensuite bathroom with granite bench top and Jacuzzi. The secondary bedrooms are also large with built-in robes and comfort to match. Enjoy the comfort of having ducted reverse cycle air-conditioning throughout the home. There is also an upstairs balcony to enjoy a glass of wine watching the sunset views.

The designer home is complete with a double auto-remote garage and has side access to a large 6 x 7m workshop that could be also used for additional parking for a boat and caravan. The home is secure with an electronic gate at the entrance of the property and has a security alarm system.

The garden is impressive with a variety of mature fruit trees including multiple mango, avocado and banana trees to name a few! The gardens are extremely well maintained and manicured and there's plenty of space for the kids and pets to run around!
