The stunning Velux skylights that pour natural light through the home, or the restored original claw foot bath that resides in the bathroom. It's a home that oozes character.

The elevated hardwood front deck allows you to watch native birds, king parrots, and even the occasional Koala and although this home is just 10 minutes to Tallebudgera Beach and less than 15 minutes to the Robina town centre and M1 access, its miles from the hustle and bustle of the Gold Coast.
