STUNNING VIEWS!

Magnificent river and mountain views are the backdrop to your new home. Look forward to your own oasis, relaxing in the comfort of your three-level home surrounded by luxury living. With stunning views from each level, you will be mesmerised by the beauty of the surrounding natural landscape.

Boasting 630m2 of expansive space, each floor has its own unique attraction. Upon entry you are greeted by a formal foyer complete with a spectacular Chandelier.

Continue into one of the many lounge rooms and enjoy a glass of wine in front of the cosy fireplace, perfect for those cold winter nights.

The six bedrooms are spread over the three levels, giving your family the space and privacy commanded by today's families. The master bedroom has its own private sitting room with extraordinary views as well as his and hers wardrobes and a well-appointed ensuite.

Entertaining is a must, whether inside or out. The rumpus contains a wet bar and plenty of room for a full-size pool table. Step outside and you are greeted by the large undercover patios, gazebos, bbq area, pool and spa, which will keep you and your guests entertained for hours whilst taking in the panoramic views.

If safety is important to you, then you have found the perfect home. From the moment you drive in you are greeted by electronic gates, remote garage doors and a security system that is installed and activated on all three levels.
