This property presents a marvellous opportunity for buyers to take advantage of market conditions in order to get into a well respected suburb. With two bedrooms, one bathroom and two toilets (one upstairs, one downstairs) in a neat group, this townhouse sits in a quiet cul de sac adjoining parkland, and is an easy walk to the Oxford St and Mt Hawthorn cafe's and nightlife. It has split system air cond, a good sized courtyard and public transport is very close by. Location is the key to real estate growth and this property ticks that box and many others.
