A MODERN FAMILY HOME!

Located in a quiet no-through street of Mount Low, with playgrounds, shopping precincts and schools nearby, is this modern family home. Situated on a healthy 629 sq.m allotment, this property has the bonus of double side-gate access to the good-sized rear yard that would have plenty of space for a big shed or pool. The home has a double remote lock-up garage, 4 bedrooms, the main with an en-suite, whilst all bedrooms have built-in robes. There is a spacious lounge room at the front followed by a combined family dining room that joins the very functional galley-style kitchen that overlooks the covered entertainment area and back yard. There's lots to like about this home, and it would suit buyers looking for a family home that can grow with them. Call today and arrange for a inspection.
