This beautiful Metricon built home is an entertainers delight. All families come along and inspect this fantastic property situated in a lovely quiet area of the Genesis Estate in the fast developing Coomera. Set back from the road, this very private property features everything you could want and should love. From spacious bedrooms to the awesome chefs kitchen complete with walk in pantry plus wonderful timber stacker doors from the lounge to the dining room opening up to bring paradise in to you.

The 2nd and 3rd Bedrooms are of great size and both featuring extra built in cupboard space with main bathroom and separate toilet. Whilst there is no 4th Bedroom you gain on a rumpus or activity area for the kids though this could easily be converted back to a fourth bedroom if required.
