THE ENORMOUS EXECUTIVE HOME THAT OOZES PURE CLASS & ELEGANCE

Vlad Suleski proudly presents 6 Aitape Vista in St Andrews, Dianella.

This stunning home will grab your attention from the moment you pull up at the front with the easy to maintain landscaping to the beautifully crafted façade.

From the moment you step inside the entrance & spacious formal lounge it will grab your attention straight away with the pure elegance in every cm of the home from the perfect blend of travertine tiles and wood floor boards to the stunning window treatments and the custom ceilings.

Moving through to the guest bedroom with semi ensuite will make your visitor's feel like they are in a 5 star hotel.

The study is situated in a very quiet position, so you can work a way in peace and quiet with views of the backyard to give you extra inspiration.

Walking through into the open plan main entertainment area you will be stunned by the level of detail starting with the designer chef kitchen with 900mm appliances and plenty of custom cabinet space. You gaze over to the dining area where you can feed the largest family. The lounge area also doesn't disappoint with adequate space to relax and watch your favourite shows or just admire the ceiling and tv niche that is pure art!
The last internal living area is your own gold class cinema to watch the latest blockbuster movies or the big sport event.

Heading outside is the stunning undercover outdoor entertainment area that you can hoist the biggest gathering and the sparkling pool where you will be spending most of your summer

Let's go up the spiral wood floorboard staircase with custom balustrading while you gaze up to the elegant chandelier to the second level. Starting off with another living area that is perfect to relax in or study in tranquility which leads to the enormous master bedroom & it's lavish and well-appointed ensuite you truly deserve after a long hard day!
The kids are also spoilt with 2 more king size bedrooms and even their own private bathrooms.

5 BED | 4 BATH | 4 CAR
