LOOKING FOR A HOME WITH PIZAZZ?

Look no further than this 3 bedroom cottage on a corner block at 29 Anemone Street. This home has one of the brightest decors we have seen in quite some time. The interior has polished floors complimented with granny smith green walls making an interesting contrast with an almost new kitchen including a slow combustion cooker. The open plan kitchen, dining lounge leads itself to entertain with the lounge having a wood heater and air conditioner. The home has three well proportioned bedrooms and a central bathroom with the main bedroom containing an air conditioner. The home also has a new roof and has been restumped. You can relax on the north facing covered patio. A 9m x 4m colorbond garage adjoins the house. A 3 bay colorbond shed is situated behind the house – with 1 bay enclosed and lockable, and 2 bays would accommodate RV's. Also, the backyard contains a chicken run, garden shed and brick barbeque.
