POTENTIAL HERE

Bring your machinery and muscles and bring this picturesque property up to its full potential. 36.5 acres (14.8ha) of undulating country cleared on the lower slopes and rising to steeper timbered ridges.

There is a gently sloping home site with an extensive panoramic view. Several dam sites and underground water has been divined.

A mix of native and improved pasture and fertile soil. The boundary is fully fenced. Electricity has been connected and you are only approximately 20 minutes from Gympie via a bitumen road. Come and check this one out today.
