MOST AFFORDABLE HOME = SUCH A SUNNY , LIGHT AND AIRY HOME IS LOCATED HERE AT PARADISE LAKE OVER 50'S RESORT

A nicely presented home with an open plan living room is very welcoming to you each day as well as your visitors. This home was much loved by the previous owner and has 2 good size bedrooms, with built in wardrobes and ceiling fans.

The living area is generous in size and it is an open plan. This home is an "easy entertainer" and allows for the chef of the family to enjoy and participate when guests are visiting . Plenty of natural light throughout.

A separate laundry with a large storage cupboard is a definite advantage to some of the other homes. As is the carport that maybe could be turned into 2 car spaces - which is not available in too many of these affordable homes .

There is need for some refurbishment perhaps but not immediately if you did not desire. The carpet and paintwork could be refreshed - totally depends on where you live and how you are living now, and if you need to move in immediately.

This is a nice home and this is the most affordable 2 bedroom home in the Resort! There is room to expand and add your own interior design flair ! Enjoy creating your next home.the and phone Susan on 0407 285852 and arrange for your own private inspection at a time that suits your timetable. Or attend an Open House at the week end.

Paradise Lake Resort is one of the friendliest Over 50's Complex in the area and priced at just \$239,000, this is definitely worth considering!
