HOME WITH SPACE

Offering all the space a family would need, both inside and out, 6 Grevillea Street will be auctioned. This 228m² (approx.) brick and tile home has easy care tile throughout the home. 3 large bedrooms, the main with ensuite and walk in robes, also has its own sitting area. The tiled entry leads to the media room and formal lounge. A large country style kitchen with dining area adjoins the family room. There are 2 bedrooms at this end of the house serviced by a bathroom and a separate laundry area.

All bedrooms have air conditioning as does the kitchen and media room. The family room has a wood fire for the cool nights.

The former 6m x 6m garage has been converted to a games area.

At the rear of the home is a steel frame shed with enclosed workshop. The shed has 4 bays – 3 open and the workshop.

The home stands on a 6600m² approx. level block. There is certainly a little renovation required to bring this home to its former glory.

Auction on the 20th October 2018 on-site 11:00am.
