## EASY STYLE FOR EASY LIVING

This peacefully situated home is a must to inspect for the buyer looking to put their feet up and relax.

As you can see by the floor plan, the home is spacious, provides two separate living areas, full security plus has solar panels and two separate water tanks.

The yard is fully fenced so is pet and small child friendly with a number of mature citrus trees in it.

If you are looking for a home not just in a quiet residential area, but a peaceful court location, then I'd recommend you inspect this one.
