Tucked away at the end of a quiet no through road you'll discover this beautifully presented period style home steeped rich in history and surrounded by the most wonderful established Edna Walling style gardens.

Jump in the car and within a matter of minutes you can be exploring the many wonderful attractions of the Yarra Valley including award winning wineries, restaurants and various other tourist attractions.

In addition to the main house there is a separate self-contained cottage that is currently being run as an award-winning short stay accommodation business 'Nagoondie Studio' The new owners could opt to do the same and generate an income or alternatively utilize the cottage as additional accommodation for family and friends.

Downstairs the main residence offers three bedrooms and two bathrooms including a very generous master with ensuite, kitchen with dishwasher, gas/electric oven and classic old-style LUX combustion stove.
