IT'S A BLACK ROCKS FAMILY HOME!

Got kids? Need a big back yard? Need a place for the boat and the caravan?
If the answer is yes, then you need to take a look at this spacious 4-bedroom, 2-bathroom home positioned in a peaceful cul-de-sac in the original Black Rocks estate.

This thoughtfully designed property built in 2002 is in one of the most sort after locations in seaside Pottsville, it is only walking to the beaches and estuary, while the Pottsville Tavern, Black Rocks Bakery and Foodworks Supermarket are also just at your fingertips!
The all-important block size is 828 square metres of family fun! Let me repeat that - 828 square metres!

The house has a superb east-west aspect allowing the afternoon sun to fill the outdoor entertainment area and flow into the family room and kitchen. The master bedroom has a walk-in wardrobe, ensuite and its own reverse cycle air-conditioner. The 3 other bedrooms all have built in robes and ceiling fans. The lounge-dining room is large (big enough for a pool table), positioned in the centre of the house and has a fantastic wood heater to add ambience and warmth when entertaining or relaxing, the open plan kitchen and family area features real timber floors, air conditioning and views into the back yard and outdoor entertainment area. The double gate side access to the back yard has undercover parking for 3 vehicles and there is still room in the front yard for another vehicle or trailer.
