Main items included are the ride on mower, diesel irrigation pump, 2 very cute miniature ponies, chooks and much more.

The accommodation is a "shouse" - a fully Council Approved shed, purpose built as a house. The acreage is very fertile with permanent water from a spring fed dam. There is also 60,000 gallons of rain water storage.

Main features are:-

- open plan kitchen/dining/lounge area
- 2 bedrooms
- combined bathroom and laundry; separate toilet
- separate screened bbq area
- separate lined dwelling with large truck/caravan port attached. This has a shower base and toilet ready to be installed

- fencing is all in excellent condition

The value here is excellent. The owners have spent a lot of time and money establishing this property and it is only ill health that requires them to sell. Please contact me for all the details . I live locally and am available 7 days a week for inspections by appointment. Ph Kylie on 0409 623 473
