AUTHENTIC HOME IN OLD EAGLE HEIGHTS ON USABLE HALF ACRE, SO CLOSE TO EVERYTHING.

More than just a pretty cottage, this home will surprise & delight with every step you take. The appealing view from the street continues right through with a seamless blend of modern convenience & classic styling. This beautiful big family home filled with character opens up to reveal a quality and was designed with functionality.

The house has a great flow and the verandahs are almost like external hallways connecting different spaces within the home and a key to making the most of the mountain climate. Entertain in style from your beautiful Modern country kitchen, curl up by the fire or read a book in your hammock on the back deck whilst watching the kids play on this very usable half acre. The very large workshop/storage room is a fantastic space and a must have for anyone needing a shed. This property has a place for everyone & every occasion.
