A HOME FOR ENTERTAINING!

Located on a healthy 6564 sq.m block in Jensen with schools and shopping centres nearby is this solid family home.

Inside you will find 3 bedrooms, the main with an en-suite and walk-in robe, whilst the other bedrooms have built-in robes, a large living/dining room, a good-sized kitchen with breakfast bar and a servery to the living/dining room and another area that could be either a second dining area or a second living area.

However, the stand-out feature of this home is the HUGE attached entertainment area. The L shaped addition is big enough for entertaining any number of guests and also provides space for outdoor living and a double tandem carport if so desired.

Other improvements to the property are a 3 bay shed/workshop and two other garden sheds, a 3kw solar system, generator feed-in power to the mains, established trees and a lovely white picket fence at the front.
