HIGH SET, FULLY FENCED, POOL

Are you in the market for a fabulous family home with the potential for dual living? Then you must see this property!

Situated in a quiet street in the vibrant suburb that is Kallangur, this property will give you the room you crave, both inside and out.

This home is spread over two levels and offers the discerning buyer a home with traditional 1970 designs elements and decor updates while leaving you with the ability to add contemporary styling to create the home of your dreams.

The kitchen has been updated and features stainless steel appliances, InSinkErator and dual-draw dishwasher, with an open plan design incorporating the dining area.

The lounge room has been recently painted and is a fabulous light-filled space opening to a sunny enclosed verandah, making it the perfect spot for snuggling up in a comfy chair with a good book.

Three bedrooms upstairs all feature ceiling fans, with robes and air-conditioning in bedroom 2 and the master.

The internal wooden U-shaped stairs complete with formal decorative rail, connect both levels of the home. Amongst the features on the ground floor is a separate room perfect for a home office, kids playroom or converted into a media room. The second living area also located on the ground floor is large enough to accommodate a pool table, and a lounge area or perhaps you could add a kitchenette? Also situated in this space is the second bathroom, complete with a shower and separate toilet.

The outdoor covered entertaining area overlooks the wonderful pebblecrete inground pool complete with a pool slide and gazebo. The property is fully fenced and offers more than enough yard for the kids and fur babies to run and play.
