CBD COMMERCIAL UNIT WITH MULTIPLE USES

- * Central CBD flood free location
- * Street frontage for great exposure
- * Carpeted & air-conditioned front open plan area
- * Back section has 1 enclosed office and open plan area
- * Also has a separate entrance/loading bay
- * Would suit 1 or 2 businesses
- * Kitchenette and toilet staff facilities

This unit is in a central CBD flood free location within a busy complex. This unit has street frontage for great exposure. The front office has carpet and reverse cycle air conditioning which could be a showroom or reception and/or office space.

The back section of the unit has an enclosed office and large area for further offices/workshop/training/massage therapy/hairdresser and many other uses.

This unit has separate water and electricity meters to suit 1 or 2 businesses as there is a separate entrance through a glass sliding door. This entrance could be a reception area for 1 or 2 businesses as well can be utilised as a loading bay with a roller door for security.

There are 3 carparks with this unit.
