CLEARED BLOCK SOUTHERN END... WATER AND SEPTIC IN PLACE..

Cleared block about halfway down the island...
Slab for carport , water connected and septic system in place..
Some old footings which may or not be of benefit but plans of home would probably be available from council which could possibly be used to build a new home.
This could be a building project with some considerable savings if able to use existing features.
Priced to sell and certainly worth a look.
