The separate theatre room comes complete with huge screen and the rest internally you just need to see. Externally, outdoor entertaining includes a Bali style gazebo adjacent a big scenic fishpond, plus there is a separate undercover alfresco area, plenty of storage options, bird aviaries, chook pen, fruit trees, a 30m x 9m shed with toilet, shower and kitchenette, and two rooms as well, plus a 9m x 7m shed/garage with concrete floor. There is also a 5.5kva solar system with 0.47c rebate for the next four years and water galore with the main bore delivering 400 gallons per hour and there is a secondary bore as well.
