THE BEST TRAVEL BASE..REDUCED

How is this for a place to call home when you take a break from your trips in the Van. The home is brand new with colour bond trim (no painting required ever), solar hot water, water tank and concrete path all around for ease of maintenance and fully insulated. Inside is easy care with sandstone look tiles throughout, beautiful new kitchen with soft close drawers, granite look tops and gas cooker. The bathroom is modern and fresh with plenty of storage and adjoins the laundry.

If you want peace of mind while away the block has a commercial size chain mesh barbed wire topped fence for security and easy access to back the van, boat, motor home etc in. The location is amazing with views across the Golf course to the distant mountains and the clubhouse, bowling greens only 140m away and main Street facilities 550m.

If you would like a secure travel base the has the possibilities to build another home and sheds (STCA) at the pretty village of Bowraville on the Mid North Coast, inspect today.
