GRAND OLD LADY ON 160 ACRES OF GRAZING COUNTRY

Welcome to 348 McCauley Broome Road Barkers Creek Flats, Nanango Qld. This grazing/lifestyle property features an original Queenslander homestead that looks out over the creek flats and farming land of the Barkers Creek area. It is tucked away down a very quiet road and surrounded by other quality properties, and only a few minutes drive to the shops and schools of Nanango.

The Grand Old Lady home is just oozing with character. The expensive renovations of the kitchen, bathroom and laundry have been completed. I have updated the photos as the roof has just been painted and the front of the home looks amazing with its new paint work. There is still some work to do to bring it up to being fully renovated but we have priced the property accordingly taking this into consideration. Water is gold in these areas and luckily this property has an electric fully equipped working bore, a second unequipped bore, a windmill, and two dams. There is also a seasonal creek meandering through the paddocks.
