CHIC INVERLOCH COASTAL HIDEAWAY

Your ultimate Inverloch beach lifestyle is here now for you.

Superbly located across from the pristine waters of Inverloch's main surf beach, this original and stylish beach house will evoke memories of sun, sand, happy beach holidays, and relaxed carefree living.

An absolutely amazing location means you'll still have wet feet from a morning swim by the time you slip inside the hidden delights of 172 Surf Parade. Stroll up along the tree lined beach pathway directly opposite and enter your private and tropical paradise. Palms, birdsong, scents, vibrant colours and the sound of waves from your huge breezy deck amongst the treetops, this is truly the life of dreams.

The home is set on two elevated levels with stunning double height windows flooding the living spaces with natural light. The unique design elements and location could make it a stand out and profitable Air BnB proposition if you were unable to use it yourself all throughout the year.

Polished wooden floors and many original features blended with modern details really make this home special. Only moments from Inverloch's Surf Life Saving clubhouse and with a new path extension approved for 2020 to almost outside your front door, your home will be the perfect starting point for lazy weekend walks or bike rides into town for a great cup at one of Inverloch's many coffee choices.
