WHAT CAN YOU ACHIEVE WITH 1610SQM OF PRIME NUNDAH DEVELOPMENT LAND?

Nundah is a destination suburb attracting new residents looking for proximity to the city, easy access to train & bus transport, cafe culture and great dining options. Existing stock has gradually been absorbed and very little affordable new stock has been constructed. Units that have been recently built have attracted by new home buyers, baby boomers relocating or downsizing. Now is a great time to secure a well located site close to Nundah Village and profit from a lack of good quality affordable stock. LMR zoning and DA approved for 18 units.
