FAMILY ACREAGE PERFECTION

So rarely do we come across a property that truly ticks all the boxes almost without compromise. This property features everything a family could desire in an acreage home with the combination of a modern, spacious and light-filled house, a large and totally useable block, a separate shed for all the toys and a fabulous in-ground pool.

Set at the end of a beautiful tree-lined cul-de-sac in one of Ninderry's most desirable areas the house sits within 2.3 acres of beautifully landscaped grounds with mature trees and gardens ensuring absolute privacy but still offering stunning views to the surrounding hills.

This modern and elegant home features high ceilings throughout, a spacious and flexible layout, and large windows to capitalise on the Northern aspect and views to the gardens.

All four bedrooms are extremely generous in size with the master suite featuring a walk-through robe, beautiful en-suite and views to the pool.

Cooking and entertaining will be a pleasure from the large galley-style kitchen, featuring a stone breakfast bar big enough to comfortably seat 6 looking directly out to the very spacious alfresco area which then flows onto the fenced lawn allowing fabulous in-door-out-door flow and easy family living.

The kids will be living a dream lifestyle here within a secure, well-fenced block which includes a beautiful paddock area big enough to take a pony, trees to climb, a cubby house, well-established vegetable garden and a dam (fenced for kids).

The carriage driveway allows for very easy manoeuvring of multiple vehicles, boats, caravans or trailers with the shed and shed driveway set off to the side and discreetly hidden behind mature gardens.

With all of this on offer in a hugely popular suburb just 15 minutes to the beach and at a very reasonable asking price, contact me today to avoid disappointment.
