BARGAIN INVESTMENT CBD CAIRNS

It's hard to get a good investment these days. Shares look risky, banks give low returns.

To find an investment property under \$200,000 is difficult. Residential units risk high body corporate fees, maintenance issues and tenants skipping.

Compare that to this neat commercial unit bargain priced.

In excellent condition – means worry free.

Moderate fees - means better return on investment.

Commercial tenant on lease – means security for you.

Great location near Cairns Central – means it is always attractive for tenants.

This is a great investment – call for an inspection!
