SIZE, SECURITY & LOCATION

NEW PRICE!

This roomy single storey unit is a perfect way to start out as a first home buyer or downsize into. Very adaptable for anyone with limited mobility too. Boasting over 300 m2 of useable land (19m x 16m approx.) this is no squishy-squashy living. It will truly feel like a comfortable home.

With generous bedrooms, big kitchen, separate laundry and lounge, you can really stretch out and relax in this deceptively large accommodation. Units with spaces like this and gardens to match are quite rare.

The security of a garage and a fully fenced private garden, offering either extra parking or entertaining areas together with a good-sized, powered shed which could be used for storage or perhaps a hobby are also winning features.

Relax and enjoy Broadview's enviable lifestyle with its proximity to many specialty shops & clubs.

- Sefton Plaza (with Target, Foodland, 30+ specialty shops)
- Greenacres shopping centre (with Coles, 40+ specialty stores)
