WAREHOUSE INSPIRED HOME ON THE FORESHORE

Facing north towards a beautiful tree lined path to the beach, waking up will never be difficult again in this stunning and unique home. Giving a sense of calm and serenity, the sound of the ocean laps outside the balcony of the master bedroom, with sensational views and a myriad of bird and wildlife adding to the chorus.

Drawing inspiration in design from Eileen Gray's E-1027 villa in Roquebrune-Cap-Martin and with construction overseen by Martin Builders of Grand Designs Australia fame, this prized waterfront property exudes quality, discreet privacy and calm considered floor plans that allow for flexible eco-friendly living.

A very special home that is both private and secluded, the chance to purchase a property such as this is extremely rare. With pristine beaches and sparkling waters only a few steps from your back garden makes it all the more impossible to resist. Relaxing & entertaining will take on a whole new meaning for you in this extraordinary setting.
