Update:
Sold by Arana Hills Specialist - Mathew Anderson with Multiple Offers - More Homes Needed!

This perfectly positioned three-bedroom Californian Bungalow in solid brick didn't last long.

Located close to local shopping precincts, schools, medical, supermarket and childcare. Here is a location where you can walk to everything close by.

The Circa 1950's home needs a makeover, but solid brick construction, timber flooring and large lounge, big kitchen and bedrooms make for a fantastic canvas to upgrade on. The place will be lovely with carpet lifted floors polished and an upgrade to kitchen and bath.

This low maintenance block offers a covered carport and a decent back yard with mango tree in the back.

The property is available to inspect and secure now, this would suit the first time home buyer or investor perfectly with the opportunity to secure the property at this fantastic price point here in Arana Hills.

You were too late to arrange your very own private inspection and secure this one.
