Ladies and Gentleman, we have something truly special for you today. This modern 3 bedroom home is built to the highest of standards. You will be impressed from the moment you walk in. The pictures do not do the home any justice. It features 3 good sized bedrooms and 2 living areas. This home ticks all the boxes and there is nothing in this price range that can compare for fit, finish and quality.

With a wonderful presence and tastefully landscaped there is simply nothing to do but pack your things and move straight in.

Situated at the end of a quite court location with lovely friendly neighbours you will absolutely love living here.

Walking in through the front door of the house you will be greeted by the first large living area. Moving on from the first living area into the rest of the home you will then move into the kitchen/second living area/meals area, this space is open plan in its design so that you can be right there with your family and friends as you prepare your meals. The kitchen itself is very high quality and features stone bench tops, stainless appliances and plenty of storage space.

This all opens out onto the undercover patio area. Perfect for relaxing undercover in both summer or winter with a hot or cold drink. This space is private and the neighbours cannot see inside and it is fully paved/landscaped.

The master bedroom of the home is large and features a good sized walk in robe which leads into the oversized ensuite. The ensuite is huge and is well above the average ensuite size. The other 2 bedrooms of the home both feature built in robes.
