ACREAGE PROPERTY WITH A POOL

The perfect setting overlooking the Goldsbrough Valley with views all the way to Gordonvale. Drive up the impressive asphalt lined driveway and well kept lawns, this grandeur residence offers privacy and serenity on an acre block.

Situated in an established street among other impressive homes and well-maintained gardens, this residence offers everything for a growing family with 5 very large bedrooms. Or rent out the ground floor level as a self-contained unit.

Built on a 4,373m² block, this large two-storey home is over 500m² under roof. Large balcony's wrap around two sides of the house, offering plenty of outside entertainment or enjoy overlooking the beautiful in ground pool and delight in the views and cool breezes.

The well-designed kitchen, with island bench that connects to the large living room and separate dining area is the centre feature of the home. Modern appliances, white cabinetry and white wall tiles, gives this kitchen a prestigious look.

- Stone Benchtops & Gas Cooking
- 2 Pac cabinetry allowing for a seamless finish without the joins or edges
- Double Fridge
- Ample cupboard and draw storage

The generous size master bedroom is a real haven, featuring a large walk in robe with plenty of storage and a private en-suite. The view from the bedroom looks out across the valley and provides its own private balcony.

The other 4 bedrooms all have built in wardrobes, with the convenience of 3 bedrooms downstairs, which is great for older children or when family / friends come to stay.

The laundry is located downstairs and was originally set up as a kitchenette. There are conveniently located power points in the cupboard for appliances and could easily be converted back to a kitchenette for a second living quarters and earn an income.

There is a double lockup garage of 86m², with extra storage areas, including a storage room under the staircase and an area to set up a small gym.
