## TRANQUILITY AWAITS

Scheduled open houses will resume in the new year. But between now and then I welcome private inspections by appointment. Please enquire to make a booking.

When you arrive home to 107 olearia st west, you'll feel like you left the city behind. And yet life has never been more convenient, with everything from the train station, major shops, playgrounds, kindy, the gym & Arana Leagues club are all just a short walk away.

And the land size isn't where the possibilities end. While you could move in and love this house as it is, the potential to add value with a renovation is excellent.
