With the new Homebuilder Grant \$25,000 + possible No Stamp Duty saving \$\$\$\$\$ + existing \$10k First Home Owners grant .
All have Govt conditions but never been a better time to buy a block and build.
Once in a lifetime opportunity.

Located in a great area in Grafton .
In the suburb of Dovedale .

Come and see this block and the beauty of our much loved & colourful Jacaranda trees all in full colour with close proximity to the river .

An established residential area . Flat stroll to river & boat ramp .

Non flood area .

The block is only 345.5m2 but ready to go .

Move a house to it or just build a reasonable size affordable home .

Do what you want all subject to STCA

Go and have a look and you will be impressed with the location.

Level , flat low-cost building site.

On request I do have some rough plans or sketches available that will give you some great ideas on what might be possible.

The vendor is keen to sell and will look favourably on anyone who wants his boat too.

Beautiful area of Grafton to live in.

The location to the river is picturesque and so inviting.
