A VERY VERSATILE PROPERTY!

This solid two bedroom home has been the backstop to a long term local business for many years. The home is now for sale and the owners will negotiate the business and stock if you would like to continue that venture. If you would rather reside in a classic older home this one definitely is great value for that and is situated on a school bus run . There is a lovely modern kitchen, updated bathroom and a cement floored storage room to compliment the extra space with the shop section. In the current rental market this property would be an asset to your portfolio.

The lovely country home has plenty of sheds and plenty of water and is located in a rural town in the thriving South Burnett opposite the ever popular South Burnett Rail Trail. There are a large variety of opportunities presented by the location and if you are keen to take advantage of those please call me to arrange an inspection.
